About Featured Coach:

Kim Ryan Lewis has been coaching figure skaters in the Pacific Northwest and across the country for more than 40 years. A former competitive skater herself, Kim trained under [John Nicks](#) – renowned coach of Olympic skaters such as Ashley Wagner, Sasha Cohen and Tai Babilonia and Randy Gardner. Kim's instructional style embodies her philosophy of providing an energetic and supportive environment where students can learn dynamic new spin techniques. Through collaboration with partnering freestyle coaches and clubs, Spinergy complements the skaters overall training program.
